## ANNUAL Permission to Leave Campus at Noon JUNIOR HIGH STUDENTS (Gr. 7-9)

Gus Wetter School Junior High (7-9 students) is a **closed** campus. This means that once students have arrived at school in the morning it is expected that they will not leave the school grounds until it is time to go home. However, we realize that for some students it is possible and desirable to return home for lunch; and for others that parents wish to have their child purchase lunch off campus. If you would like to have your child return home for lunch on a regular basis or would like your child to have permission to go up town on a regular basis, please fill out this form and return it to the office. In all other cases where a student is to leave campus during school hours, a signed note from the parent/guardian must be presented at the office **in the morning**. Students leaving and returning at lunchtime must sign out and in at the school office due to safety regulations.

**NOTE:** The school administration may suspend this permission from a student on the basis of academic non-performance or other reasons such as misbehavior, in which case the student must remain on campus during lunch unless a parent physically picks them up for lunch. Parents will be notified if this is the case.

**The following child has my permission to leave school grounds at lunch time every school day for the rest of the school year:**

Name of Student: \_\_\_\_\_ Grade: \_\_\_\_\_

Parent/Guardian (print name) \_\_\_\_\_

Parent/Guardian (Signature) \_\_\_\_\_

Date: \_\_\_\_\_
