Permission to Leave Campus at Noon

Gus Wetter School (K-9 students) is a closed campus. This means that once students have arrived at school in the morning it is expected that they will not leave the school grounds until it is time to go home. However, we realize that for some students it is possible and desirable to return home for lunch. If you wish for your child to return home for lunch on a regular basis, please fill out the following form and return it to the office. In all other cases where a student is to leave campus during school hours, a note from the parent/guardian must be presented at the office before school starts. We have implemented this policy to help us ensure the safety of your child.
