March was a very successful month for Gus Wetter Athletics. Both senior high basketball teams qualified for zones and put up strong performances with the boys finishing 6th and the girls finishing 5th. The senior girls also repeated as league champions by defeating Consort 62-12 in the league final. The junior high teams had successful seasons becoming CARA champions and qualifying for CWAJHAA. The boys finished 3rd in the tournament after some hard fought games and the girls ended up winning the entire thing becoming CWAJHAA Champions!! The archery team competed in nationals in Edmonton over the weekend with all of the athletes doing well and putting forward good performances. They have provincials coming up later this month. Junior and senior high badminton is now beginning this month along with junior and senior high track and field. Here's to continued success!

The junior high had a great ski trip to the mountains just before spring break. Conditions at Nakiska and Lake Louise were both good and students had a fun time on the slopes. Also, a big thank you to all the parent chaperones that came along...you helped make this trip a roaring success! Also, a big thank you to all the parents that helped with organizing the fruit and cookie dough orders!

Just a reminder that the Makerspace challenges are getting increasingly more difficult! If your child has had enough of the club, that is no problem, they do not have to attend. Please just let Ellyn know that they will no longer be attending. Also, if your child is available to attend now because their winter commitment is over, please let Ellyn know and she can send another form home.
