## 2025 SUMMER PROGRAMS

### INFORMATION ABOUT OUR PROGRAMS

#### MISSION

To develop and nurture the life skills of youth through community based programming with the support of families and volunteers.

#### WHO WE ARE & WHAT WE OFFER

We are a not-for-profit, charitable organization that offers social, recreational, leadership, skill development, and mentoring programs to 6-18 years. We are not child care based. Sign your children or youth up for programs they want to attend.

#### HYFC MEMBERSHIP

An annual membership is required to participate in all HYFC programs. Memberships cost \$20 per year and fees are waived for some programs. Additional costs (if required) are listed. Member families are asked to complete 10 volunteer hours per child (max 20 hours per family).

#### SUBSIDIES

Our goal is to provide opportunities to all children and youth in our area - we do not turn children and youth away if they cannot afford the fees. Ask about subsidies and funding options prior to registration.

#### EQUALITY, DIVERSITY & INCLUSION

HYFC is a safe, inclusive & fun space for all. Every effort will be made to assist children & youth with unique needs, to adjust our programming, to help solve any concerns that arise, and to provide referrals to other support agencies if appropriate. We do not have capacity to cover costs of support workers or aides, or provide 1:1 supervision.

#### PROGRAM NOTES

Our programs fill up quickly so register early. If programs are at capacity, your child will be placed on a wait list. You do not stay while on wait listed activities. We will call you if a space opens up.

Youth who are 12 years and over are offered RAD Day Camp AND Teen Activities - they must choose one program, or the other.
